JACOB MALLINSON BIRD AKA DINAH LUX

Jacob, 24, has degrees from Oxford and Cambridge and is studying for a DPhil in musicology at Wadham College. He is also a fabulous, very badly behaved (and newly ginger) drag queen called Dinah Lux who has royal admirers – a Middle Eastern prince came to one of his shows and gave him a Cartier Love ring. ‘And then he took me out to dinner and gave me a Cartier watch to match it.’ Only occasionally to be spotted in Oxford, Jacob flits between London, Paris, Milan and New York (most recently for an academic conference titled ‘Voice, Listening, Aurality’). Coming up is a planned show in Héliopolis, a ‘beautiful, prelapsarian’ naturist resort on an island off the South of France. Nudity is something of a theme in his performances, so that should suit him just fine. **FC**
